**JE SUIS VENU ALLUMER UN FEU NOUVEAU !**

Les oracles s'accomplissent !  
La Lumière du Très Haut a surgit!  
Voici que l'Emmanuel est déjà là pour raviver notre espérance, notre désir journalier de témoigner l'amour miséricordieux de Dieu.

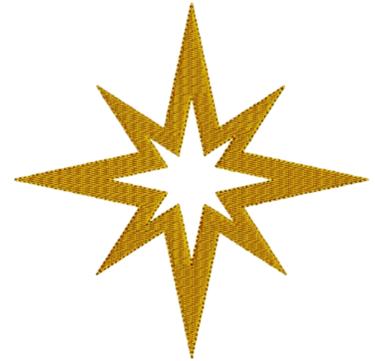

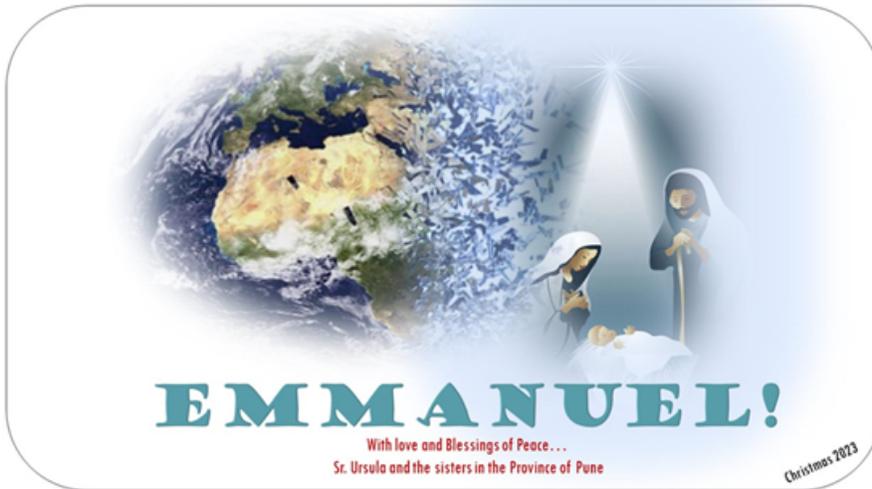

Courons à la crèche, avec les bergers adorons Dieu dans un enfant.  
Accueillons-Le et laissons-nous envahir par sa paix et la joie de sa venue.  
Offrons-Lui notre monde et ses misères...

La Communauté de l'Angélique, Jeanne Martine, Marie Prudence et Sofia, vous souhaite un joyeux Noël et une bonne et heureuse année 2024. On se rencontre dans la crèche!

## CHRISTMAS, THE FEAST OF TENDERNESS

Looking at a new born baby brings forth from within us, a reaction of TENDERNESS. We forget our serious businesses and our problems and we begin to talk as a child to reach out to this fragile and defenseless little one.

On Christmas, God speaks to us through a new born baby: JESUS. He manifests to us his TENDERNESS and creates in us flows of TENDERNESS for those around us, for ourselves in our fragility and for God who is coming to us as a little one.

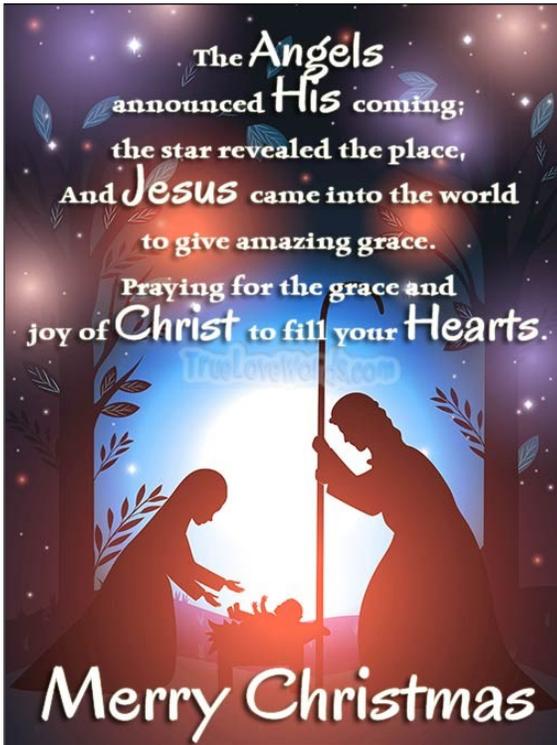

On this Christmas 2023, in the midst of so much violence let us look at this new born baby, JESUS.

May he create in us waves of TENDERNESS that will flow around us and even faraway.

May those waves take us beyond the frontiers of our make-believe importance so that we may allow TENDERNESS to overflow in us and through us.

And may we relish the infinite TENDERNESS of God all through the year 2024.
